Dear Robert:

I was unable to attribute some of the coins you sent for attribution, but I took a lot of notes that shows some share dies with others you have. I feel they may be unlisted varieties that should be inspected by Leroy Van Allen for possible new listing. I would describe them to him as follows:

1881-O (PCGS ...6518). Doubled stars on obverse. Doesn't seem to match description of VAM 29.

1881-O (PCGS ...9745). Reverse matches VAM 23, but different doubled obverse. Doubling more pronounced and uneven on top of cap. Less doubling on profile, later die state reverse than 23. Scratches where eagle's left wing meets body are rather worn. I would send this along with one I've labeled VAM 23 for comparison

1881-O (PCGS ...9563). Obverse resembles VAM 26 (EDS) on top of 8 and inside ear. Reverse has beveled field above TA, long die scratch in upper part of eagle's right wing.

1881-O (PCGS ...4765). Same obverse as VAM 54 (send one for comparison), different reverse seen with VAM 1A (PCGS ...1046 – send this, too) and coin with VAM 19 obverse.

1881-O (PCGS ...5644, ...1074). These had been called VAM 28 die 2, but there may be some confusion surrounding these, since another coin that was returned having been called VAM 28 (...5290 in this submission) is actually a match for VAM 19. Moreover, the very common VAM 28, of which you have a few dozen, I'd imagine, wasn't seen by Leroy along with these coins. I'd recommend having him see these again, but in the context of one of your DMPL VAM 28s. Coins 5644 and 1074 (VAM 28.2) have a really nice die marker in the form of a diagonal line on the lower part of the eagle's left wing across the 2nd feather from the bottom.

I think I captured everything that I couldn't pin down here. If you do send these coins to Leroy for attribution, you can return them to me with a copy of his description and this letter I will label them at no charge other than return shipping. For instructions for sending Leroy coins, refer to this page on VAMWorld:
<http://www.vamworld.com/Guidelines+for+Die+Varieties>. Leroy charges \$5 per coin plus return postage. You should include a copy of this letter and refer to my description. Where I mention differences with other coins, it would help to send these coins along for comparison to the subject coin. If you have multiple specimens from the same dies, sending an extra will also help with examination.

Best regards,

John Baumgart
