September 14, 2016

Dear Robert:

I was unable to attribute one of the coins you sent for attribution. I feel it may be an unlisted variety that should be inspected by Leroy Van Allen for possible new listing. I would describe it to him as follows:

1881-O (PCGS ...7529). Same reverse as VAM 35 and 23, but later die stage based on observing the die wear.

Obverse not a match for 23 or 35. Doubling on top of cap and on second U in PLURIBUS.

If you do send this coin to Leroy for attribution, you can return it to me with a copy of his description and this letter and I will label it at no charge other than return shipping. For instructions for sending Leroy coins, refer to this page on VAMWorld: <http://www.vamworld.com/Guidelines+for+Die+Varieties>. Leroy charges \$5 per coin plus return postage. You should include a copy of this letter and refer to my description

Best regards,

A handwritten signature in black ink, appearing to read 'John Baumgart', written in a cursive style.

John Baumgart
